To Whom It May Concern:

The 28th Annual Southwestern Conference on Medicine took place May 2 - 5, 2019 at Westin La Paloma Resort & Spa in Tucson, AZ.

In accordance with the Arizona SB1001 provision requiring all healthcare professionals authorized to prescribe Schedule II controlled substances to complete a minimum of three (3) hours of opioid-related continuing medical education in each license renewal cycle, Tucson Osteopathic Medical Foundation presented three (3) hours of eligible education during the aforementioned Conference.

The physician in possession of this memo, and whose certificate for the 28th Annual Southwestern Conference on Medicine is attached, participated in the portions of the Conference entitled "Update on Opioid Rx in Arizona" on May 4 from 10:15 am – 11:15 am, "The Pain of Trauma, the Trauma of Pain: How Changing Clinician's Perception of Chronic Pain Will Impact Our Approach to Patients & the Opioid Crisis" on May 5 from 9:45 am – 10:45 am, and "Comprehensive Approach to Pain Management" on May 5 from 11:45 am – 12:45 pm and obtained three (3) hours of eligible opioid-relevant education.

Sincerely,
