INTRODUCTORY REGISTRATION RATE: \$10 EACH

Registration is available at **www.tomf.org/cme**.

Instructions for the pre-test, post-test and webinar log-in will be provided to registrants by email prior to the event. If you are unable to attend a live broadcast, each webinar will be recorded and available for viewing and credit eligible for one month after the originally scheduled webinar date.

The Tucson Osteopathic Medical Foundation is accredited by the American Osteopathic Association (AOA) to sponsor continuing medical education for osteopathic physicians. The AOA designates this continuing medical education series for a maximum of 5 AOA Category 1A Credits. In accordance with AOA guidelines, an online pre-test and post-test with a 70% passing grade is required to receive credit. Participants will require an active internet connection, a valid email address, a computer with speakers or headphones and will be prompted to run the no-cost Citrix Online secure application before entering the webinar.

Questions? Please contact Nicole Struck, Program and Meetings Manager at (520)299-4545 or cme@tomf.org.
