

1 **Parkinson's Disease: Clinical Advancements and Strategies for Care**

Robert W. Snyder, MD, PhD
Ophthalmology, Private practice
Professor, Biomedical Engineering
University of Arizona

2 **Vision Changes Include**

- Visual hallucinations
 - Color vision
 - Stereo vision
 - Contrast sensitivity
 - Motion detection
 - Reading difficulty
- Armstrong. R.A. J.Parkinson Disease 2015

3 **External Disease**

- Seborrhic blepharitis
 - Meibomian gland disease (MGD)
 - Dry eye syndrome
- Nowacka B et.al. Med Sci Monit. 2014 Nov 11;20:2243-9

4 **Cataract**

- Nuclear Sclerotic
- Posterior Sub Capsular

5 **Neurodegenerative Eye Disease
Glaucoma**

- Definition

- Diagnosis
- Treatment

6 **Neurodegenerative Eye Disease
Macular Degeneration**

- Definition
- Diagnosis
- Treatment
